

**It is often said that
the kind of society
one lives in
is mirrored
in the lives of
its children.**

CHILD ABUSE STATISTICS IN THE PHILIPPINES

based on reports as of 1999

Of 32 million children

(about 45% of the population)

17,929 are abused

60,000 are prostituted

1.5 million are living on the streets

5 million are child laborers

BUT

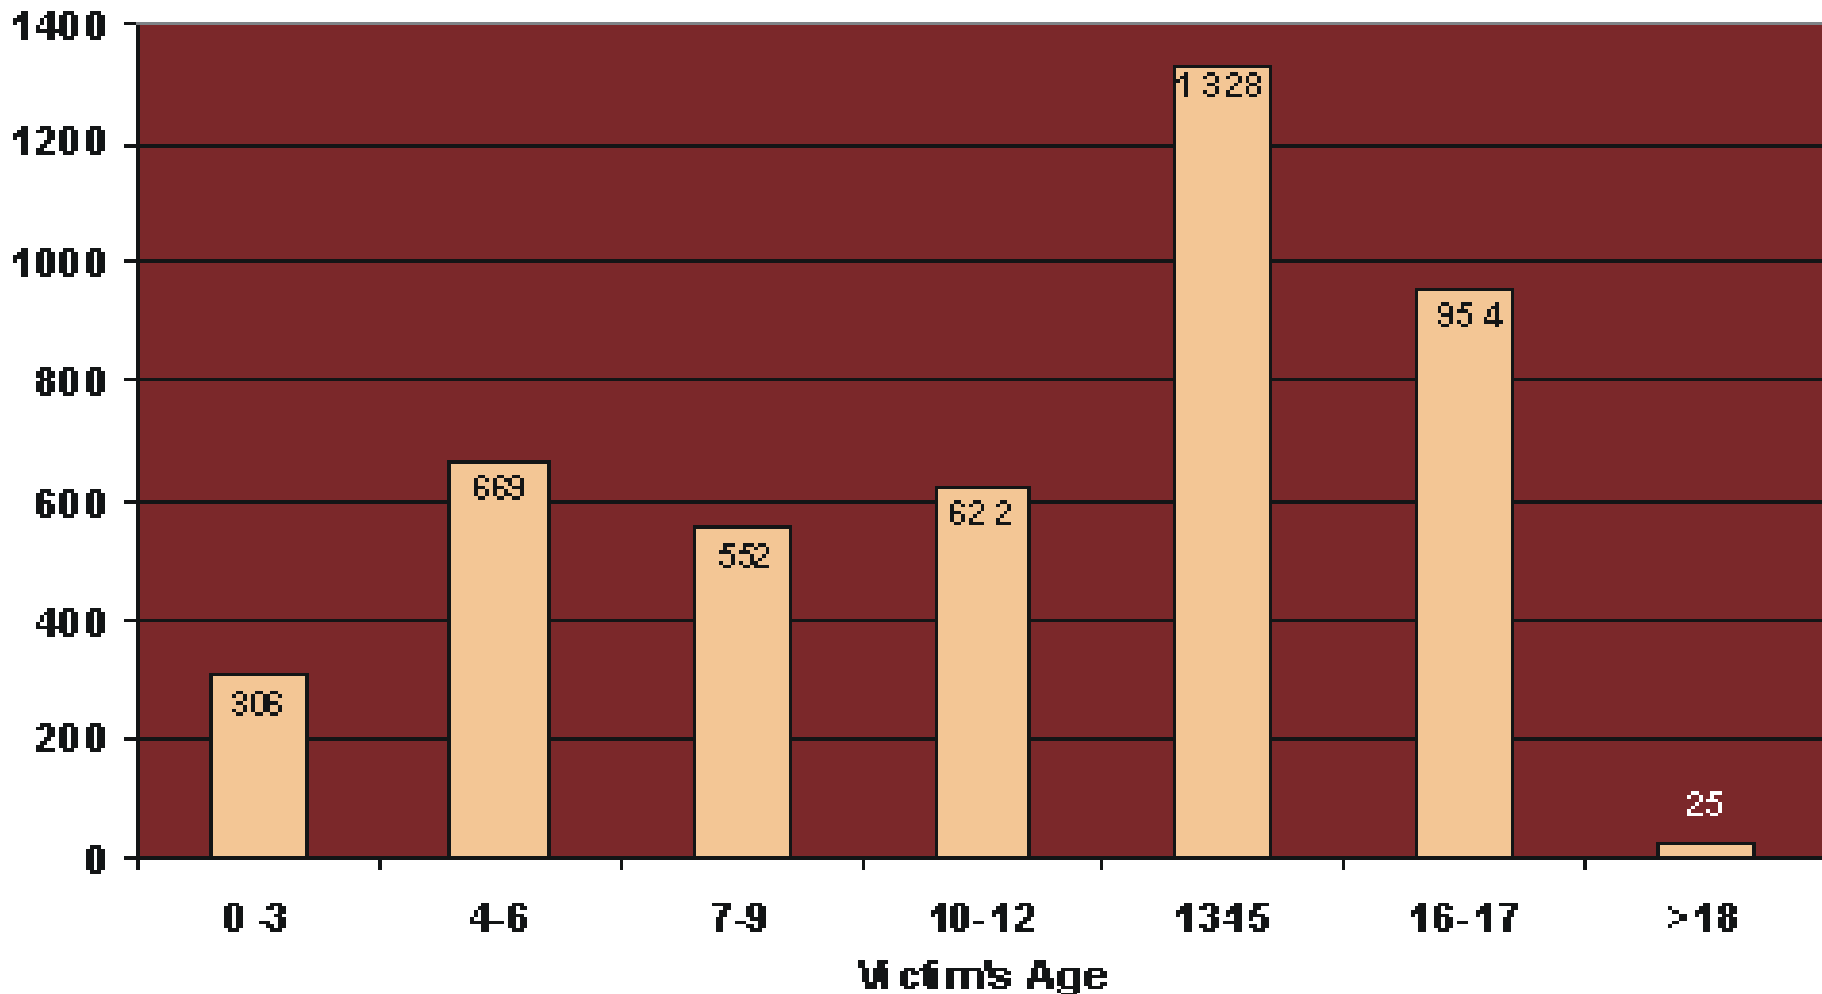

**Research studies
conducted in schools show that
for every 3 Filipino children,
one child
experiences abuse**
